

IEEE EUROCON 2025

21st INTERNATIONAL CONFERENCE ON SMART TECHNOLOGIES

Gdynia, POLAND / June 4-6, 2025

Cybersecurity and AI in modern energy and IT systems!

IMPORTANT DATES

Deadline for Special Session/
Workshop Proposals
November 30, 2024

Deadline for Tutorial Proposals
November 30, 2024

Deadline for Submission Papers
February 15, 2025

Notification of Acceptance
March 31, 2025

Deadline for Final Paper
Submission
April 30, 2025

Registration
April 30, 2025

EUROCON – International Conference on Smart Technologies – is a major international forum for the exchange of ideas, theory basics, design methodologies, techniques and experimental results between academia, research institutions and practitioners from industry. It covers all fields of electrical and electronic engineering, ICT and computer science covered by IEEE Societies.

EUROCON is one of the flagship conferences of the **IEEE Region 8** – the largest region of IEEE, including Europe, Africa, and Middle East. **IEEE EUROCON 2025** is the **21st edition** of the EUROCON Conferences.

IEEE EUROCON 2025 provides a unique opportunity to bring together researchers and practitioners from different fields, to discuss on the latest developments in these fields and promote cross-disciplinary interactions needed in today’s engineering activities.

The accepted papers presented at the Conference will be submitted for inclusion in the **IEEE Xplore Digital Library**.

WEBSITE: <https://2025.ieee-eurocon.org>

The conference will be held in **Gdynia**, a city known for its picturesque seashore with marinas, promenades and yacht clubs. However there is more to enjoy nearby, as Gdynia is a part of Tricity, which also includes a thousand-year-old Gdańsk, Poland’s cultural gem, and Sopot, a health-resort with its beautiful Landscape Park and splendid sandy beaches.

Tricity- Gdynia, Sopot, Gdańsk
